

# Kid Fair

THURSDAY  
FEB 2

## A CELEBRATION OF LEARNING

### What ?

**Kid Fair is a night to celebrate learning and share final products from the first semester.** This is the single biggest presentation of learning that REALMS students share with their families. Students will have the opportunity to “tour” their families through learning and final products, as well as see performances from some classes.

**SAVE THE DATE; It is a night not to be missed!**

### Who ?

Current REALMS students from each grade spend the evening sharing their learning & final products with their families. We encourage 100% participation from students and their families.

### Food ?

**Leah Brumwell will be on hand in our KITCHEN to serve delicious samples from our healthy, home cooked and locally sourced lunch menu! Be sure to stop by and try a few samples from a NEW vendor this year!**
