

Student Led Conference Agenda

30 minutes total

Greeting (5 min)

Student welcomes and thanks parents for attending, reviews agenda, student and parent's role, and discussion protocol (you share a piece of work for 3 minutes and then your parents can ask questions about the specific piece of work for 2 minutes)

Review Learning Targets and Share Evidence (20 min)

Student shares academic progress and work from 3 or 4 *pre-selected* classes, demonstrating how they met the learning targets. Parents listen and take notes if appropriate.

- Share class #1 (3 minutes) and invite parents to ask questions about it (2 minutes)
- Share class #2 (3 minutes) and invite parents to ask questions about it (2 minutes)
- Share class #3 (3 minutes) and invite parents to ask questions about it (2 minutes)

Discussion/Follow-up Questions (5 min)

Parent(s) will ask questions that they are curious about, interested in, etc. Teachers will sit in to listen and support.

This student led conference format does not provide much time for parents to ask specific questions of specific teachers, or to talk about specific grades.

If you have concerns or questions you'd like to address with a teacher, please e-mail that teacher, or fill out the meeting request form below and send it in ASAP.

- Yes, I have specific questions/concerns that I would like to speak with teachers about (please describe below)
- I would like to schedule a special meeting to address these questions
- I would like to receive a phone call to address these questions
- These "question/concern" forms will also be available at your conference so you can fill them out there
