

REALMS HOLIDAY WREATH FUNDRAISER

This fall, REALMS is conducting a fundraiser. Our students will be pre-selling wreaths that will be made from sustainably harvested Noble Fir boughs from the Willamette National Forest near Mollala, Oregon.

Our goal is to raise \$6,000.00 to support the powerful fieldwork at REALMS this year.

What Are We Raising Money For?

Our goal is to raise \$6000 to support all of the fieldwork at REALMS this year. A year of fieldwork at REALMS costs well over \$40,000 and it takes the fieldwork contribution fee and multiple layers of fundraising to ensure that you continue to have these rich experiences. **Remember to explain fieldwork to your customers and explain why it is important!**

FALL CONFLUENCE TRIP - TULE LAKE TRIP (Japanese/American Internment) - ELECTIVE PROGRAM - TRAVEL STUDY - SERVICE FRIDAYS- PORTLAND (Responsible Living on Earth) - and more!

1. You will have from **November 5th – 19th** to pre-sell as many wreaths as possible. **THAT'S 15 DAYS!**
2. The wreaths will be delivered to REALMS on **Wednesday, December 2nd**, and you will deliver them to your customers that weekend.
3. **The crew** that earns the most money through pre-sales will get an adventurous ½ day off campus.
4. There will be incentive prizes for the **top three individual sellers in each grade** at REALMS.

For parents:

1. Have your son/daughter go to the homes of family members, family friends, and neighbors you know.
 2. We will meet our goal if each student sells 7 wreaths. We hope everyone sells more and we blow our target out of the water!
 3. Please feel free to accompany your son/daughter as they sell door to door.
 4. Be sure that your son/daughter does not sell door to door in the dark.
 5. Help your son/daughter by suggesting potential “customers” that they can visit, telephone, or e-mail!
 6. Help ensure that your son/daughter accurately records the names, addresses, and telephone numbers of the customers who buy the wreaths.
 7. Help ensure that your son/daughter’s money matches their recording sheet. The three “turn in” dates” are:
 - First Turn in: Thursday, November 12th
 - Second Turn in: Wednesday, November 19th
 - **FINAL turn in:** Friday, November 20th at your student-led conferences
